cal student recommended by the medical faculty of the Western University, be granted the privilege of Hospital residence.

3—That tenders be called for watering the streets, and that the contract be let by the day, the city to furnish the carts, the necessary by-law being prepared and is herewith submitted.

4—Your Committee will meet on Tuesday, the 21st inst., to investigate any charges against Hospital management which may be made in writing, to be addressed to Ald. Kingston.

On motion the report was taken up clause by clause.

First clause read.

Ald. Kingston moved, seconded by Ald. O'Meara, that the clause be referred back to the Committee with instructions to call for tenders for the work. Lost.

Yeas—Ald. O'Meara, Kingston, Hodgins and Christie—4

Nays—Ald. Taylor, Watson, Green, Cowan, Browne, Hook, Stringer and Scarrow.

The clause adopted.

The second clause was read and adopted.

Third clause read.

Ald. Scarrow moved, seconded by Ald. O'Meara, that the clause be struck out.

Ald. Taylor moved in further amendment that the clause be referred back to the committee with instructions to call for tenders for the street watering for the entire season. Ald. Hodgins seconded.

Ald. Watson moved another amendment that tenders be called for by the day, and also by the season. Ald. Green seconded.

Ald. Taylor's motion carried.

Fifth clause was read and adopted.

Ald. Stringer then stated that Mr. McNeil had been awarded the tender for wood for relief purposes. He had named two sureties who had been accepted by the committee, but one of them now refused to sign the contract.

Ald. Kingston moved that the City Solicitor be instructed to draw up a new contract leaving out the words London East.

Ald. Scarrow felt that it was not proper or fair to Mr. McNeil to have London East in the tender.

Ald. Stringer said that was not the difficulty. Mr. McNeil's objection was to drawing the wood through the wood market, and the contract would never be properly executed until that condition was expunged.

A motion by Ald. Green not to pay Mr. McNeil any money unless the contract is properly executed and Mr. McNeil agrees to deliver wood as required in the city proper, was lost.

As it will be two or three weeks before Mr. McNeil will receive any money, Ald Stringer agreed to see him and get another surety if possible.

The by-law for street watering was amended, on motion of Ald. Browne, to include that part of Colborne street opposite the Central School grounds.
